

Sprint Plan, Iteration #3					
Group: goto fail;					
Context project: MM					
User Story	Task	Responsible for task	Task Assigned To	Estimated Effort (h)	Priority (A-E) (A is highest)
User story: GUI styling.					
As a user, I would like the current GUI to have an improved version of basic styling, including fonts, colors, layouts, etc.	GUI styling - Director/counter grid styling/layout - Detailview styling/layout - Creation window styling/layout - Collision styling - Toolview styling/layout	Mark Mark Mark Mark Alex	 Mark, Martijn Mark Alex, Mark Mark Alex, mark	 5 10 10 5 5	 C B C A B
User story: improved working version.					
As a user, I wish to see a working version, with more functionality. I should be able to edit timelines, at the very least.	Working version - Functional director timeline - Ability to set up constraints in director timeline. - Automatic creation of camera timelines from director timeline	Martijn Martijn Martijn Bart	 Martijn, Bart Martijn, Menno Bart, Menno	 5 15 15	 A B C
User story: camera control basics.					
As a user, I wish to see a basic version of a webserver created, so a start can be made on implementing automatic camera controls.	Basic webserver - Setup general webserver structure in nodejs - Make connection between java and nodejs possible - Start implementing some basic camera control operations	Bart Bart Menno Alex	 Bart, Alex Menno, Bart Alex, Martijn	 10 5 10	 A A C
People	Estimated effort (hours)				
Alex	35				
Bart	35				
Mark	35				
Martijn	35				
Menno	35
